

Miss Charron,

I can't tell you how much I appreciate all you've done for me this year. You've been so fantastic, and your math skills will help me immensely next year!

Thanks so much,
Don B

Miss Charron

A simple thank you does not convey the appreciation we feel for your guidance and commitment to Britz.

Not only did you see her through math, but you also taught her the life skills of believing in herself and the rewards of hard work.

You are JT's shining star!

Miss Charron

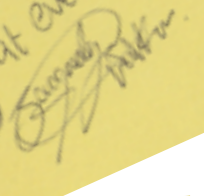

Thank you for everything you've done for me. Helping me push through math from grade 10.11 to 12. You have showed me that time and commitment is what it takes, going into business admin. I now feel more confident than ever. Your kind, considerate and helpful attitude is deeply appreciated.

From,
Whitney

woman I've ever met, along with being awesome at everything else!!
